

CAPRI / RODAS

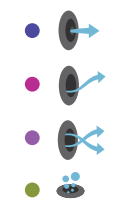

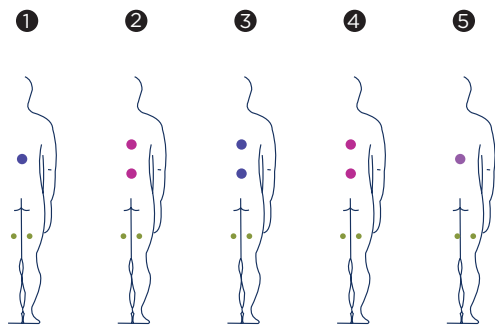

Five-seater hot tubs with a diameter of 2.3 metres and an overflow channel to keep the water level and flow constant. Their elegant, modern design is the result of the cutting-edge technology used to ensure that they would fully live up to the expectations of users.

There is a compact Capri model, whilst the Rodas model, which is also easy to install, enables the buffer tank and the filtration system to be fitted in a very small space.
